**Homebound Instruction**

Home instruction shall be a teaching service available to students who are unable to attend school for medical and/or mental health reasons for a period of two weeks or longer as diagnosed by a physician, psychiatrist or Planning and Placement Team. The purpose of home instruction shall be to help students to keep up with their work even though unable to attend school because of their disability.

Home instruction may also be provided for those students who have been excluded from regular school attendance for disciplinary reasons.
